The Background of OUBAO Brand

Founder *Mr.Superman* was grew up in the industrial area.  
His grandparents accompanied him through his childhood life.  
Because of the poor environmental poverty,  
his childhood toy is a hand-made windmill that was made by his grandpa.  
Every day, holding a windmill and flying in the fields,  
he feels like flying with free.  
And this windmill has accompanied *Mr.superman* until now.

With a strong shield, protect my windmill, protect my family,  
the strongest support for my family,  
give my family forever depend on and accompany.  
Because of love, so focus  
Founder *Mr.superman* put his own story into the brand,  
windmill as our enterprise Spirit, take the meaning of "seeking  
truth and being pragmatic"  
and "Getting rid of falsehood and seeking truth."

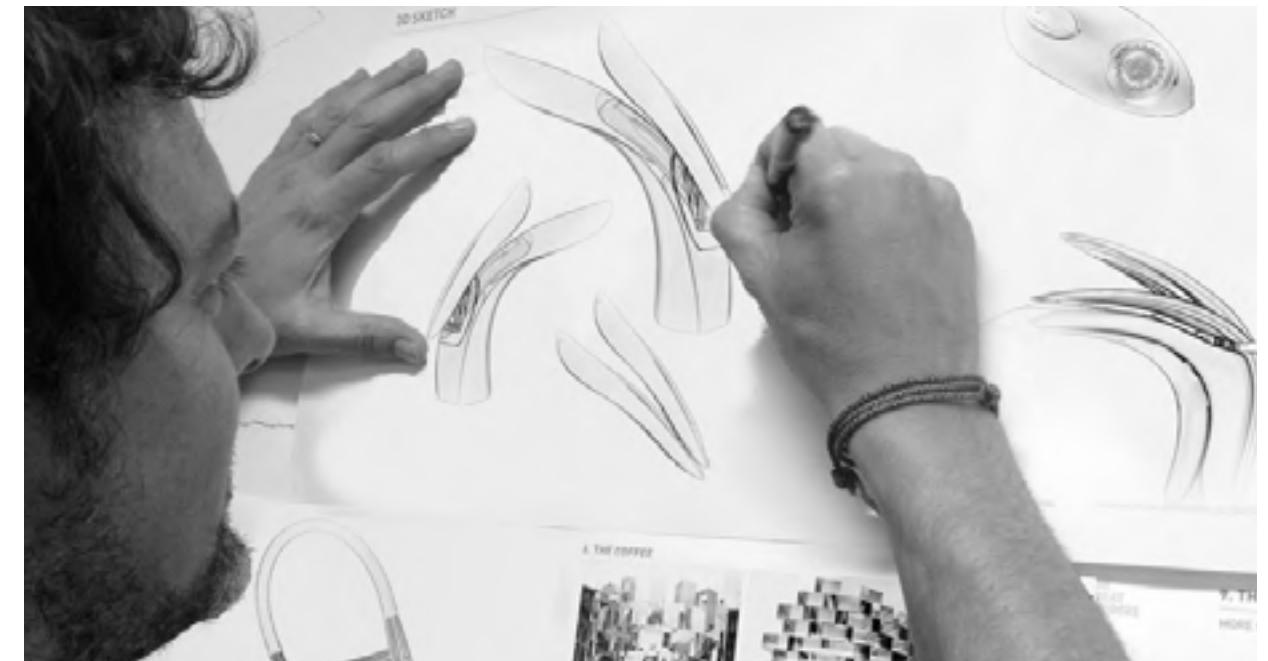

#### DESIGNER

*Ms.Angela kelly*

The meaning of life lies in love, and this job is related to life.  
Dedication with all one's heart and soul exists only as a pure memory.  
and it will always serve our customers, always protect our customers.  
Windmill - represents bravery, diligence, enterprising, loyal, happy,  
smart, lucky and love.

The windmill turns, so that this love and luck will be spread forever,  
with a long history, to every household...

# DRAGON

## SERIES

**The design is inspired by the ancient chinese dragon.**

In ancient China, a mysterious creature was widespread among people, called "Dragon". It's a symbol of honor and power, but also means for fortune and success. When you pull down the sprayer, the line of the whole faucet is just like the dragon that is swimming in the water.

A black and white photograph capturing a romantic moment in Paris. In the foreground, a man and a woman are seen from the side, embracing and kissing under a large, light-colored umbrella. They are standing in the rain, with water droplets visible in the air. In the background, the Eiffel Tower rises majestically, its intricate lattice structure illuminated against the dark night sky. The overall mood is intimate and nostalgic.

# FROM THE WORLD TO OUBAO INSPIRED DESIGNS

A couple of lovers walk in the rain in the romantic Eiffel Tower in Paris, France, make a promise of love, and the inspiration is injected into the faucet to become For the incarnation of love, there is such a faucet in a warm home, always remembering the memory of love.
